

The Mother of All Demos

A performance by **Sarah Buckius** · care-tech.org

The following categories describe what is desired from the venue, what is optional, and what the artist brings.

01 SPACE & STAGE

- Stage or space that is about 8 ft by 16 ft
- Space on stage for pink domestic objects (minimum 4 ft × 4 ft)
- Space for a small pink desk with a 24 in × 24 in footprint
- Floor that I can place pink gaffer tape on

02 A/V & TECHNOLOGY

- Podium with computer hook-up to one projector or monitor, and microphone to speakers. HDMI connection.
- 2 monitors or 2 projectors with different feeds from 2 different laptops. Only one of these needs sound output, for a video playing on one of the computers. I supply the laptops.
- HDMI connection to both monitors
- Microphone for me to speak into
- Reliable wifi that I can connect to by phone and computer

03 AUDIENCE

- Audience seating
- Walkway into the audience for me to pay audience members
- Distribution of badges — either on a table where I place pink baskets, or on the chairs

04 TIMING

- **45 minutes** — duration of the performance as is
- **15 minutes** — Q & A (optional)

05 OPTIONAL

- 1 or 2 metal sign holders for a 22 × 28 in sign. I have the printed sign.
- 2 snake plants
- Pink lights that shine up and hit the podium

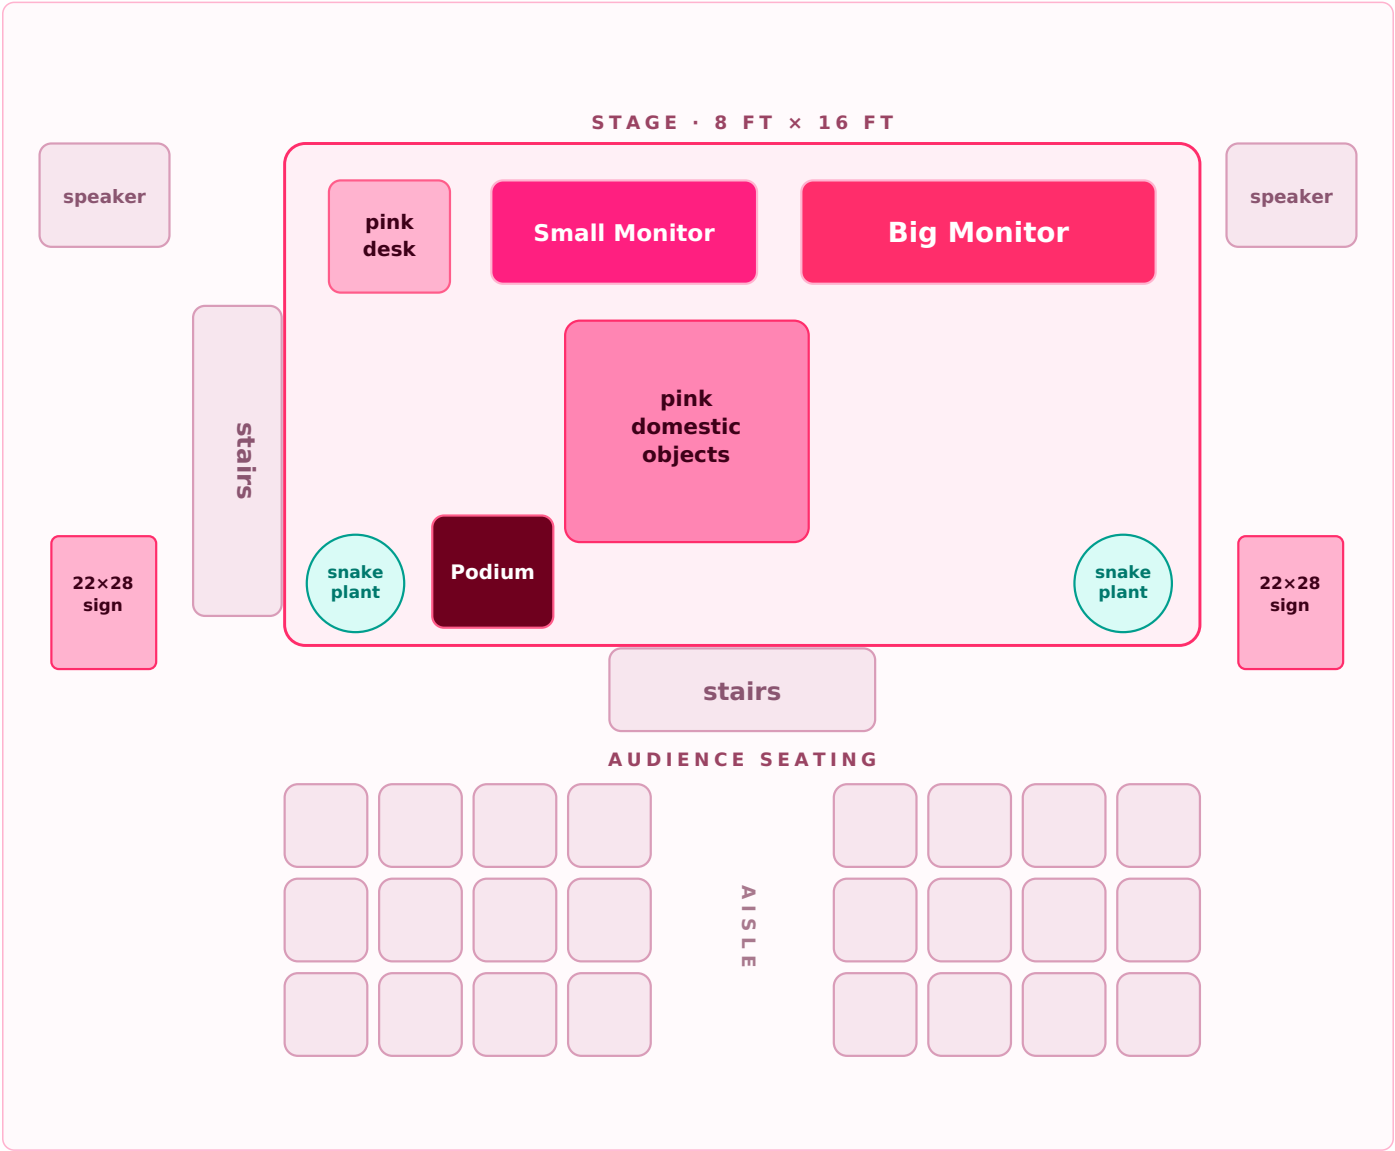

06 ITEMS THAT I BRING

- Costumes
- Pink desk
- 2 computers
- iPhone and head mount
- Pink domestic objects
- Pink gaffer tape
- Pink money box with pennies
